

Large Meeting Table

The Large Table Meeting is the epitome of functional elegance, meticulously designed to provide a sophisticated yet efficient space for collaborative discussions and strategic planning. Crafted with precision, this table seamlessly blends modern aesthetics with superior materials, ensuring both durability and visual appeal.

Materials and Construction

The table's top is constructed from a high-grade composite wood core, layered with a premium veneer finish. The choice of veneer includes rich hardwood options such as oak, walnut, or maple, meticulously selected for their natural grain patterns and durability. The sturdy base is expertly crafted from powder-coated steel, providing exceptional stability while complementing the table's contemporary design.
